

## ALTERNATIVE FINANCING STRATEGIES *for Life Sciences Companies in a Turbulent Market*

### **Alternative Financing Strategies for Life Sciences Companies in a Turbulent Market**

You have a promising drug but your cash is running low and the traditional sources of financing are no longer available due to the current turmoil in the capital markets. What other sources of capital are there out there that can help you stay on track with your development pipeline or help you continue to market your drug? Come learn about some creative and new alternative financing sources that may be available to your company and how to implement them at your company.
